Weather permitting, Wednesday, August 8, 2012, Silver Star Construction, under contract with the City of Norman, will begin the asphalt milling and paving operations on Boyd Street from Classen Boulevard to University Boulevard. Temporary lane closures will be required and delays can be expected. Drivers are encouraged to use alternate routes during the construction. Construction will be completed on Friday evening, August 10, 2012. Questions about this project should be directed to the City of Norman Street Division at 405-329-2524.
